Orders are due Friday
14 February 2019

Dear Students, Parents, Carers and Staff,

I would like to extend a very warm welcome to the 2019 school year at Esperance Primary School. I trust that you and your family have had quality time together and shared some memorable experiences over the holiday break. I would like to especially make a special welcome to the new families who have joined the Esperance PS this year and I am confident that you will enjoy being part of our strong and supportive community. Esperance Primary School prides itself on fostering a caring and motivational learning environment where all students and staff have a right to feel safe and to learn and teach. It is through promoting this environment that we aim to help your child achieve their true potential, especially through us all implementing our vision of "*Inspiring Personal Excellence*".

Students, it has been wonderful to see commence each day proudly wearing your uniform and eager to re-acquaint with friends and staff. I appreciate your drive and commitment to your own personal learning in the goals that you are setting for Term 1 – you are demonstrating accountability and responsibility for your growth from day 1! Simply amazing!

A massive thank you to our staff for their preparation and time given in ensuring our students had motivational learning opportunities from the moment they stepped into their rooms. Your rooms looked inviting and structured in ways that allow students to feel safe, supported and ready to face the challenges of the year ahead.

The school grounds look amazing and a special mention to Mr Rob Sharpe, who has worked miracles over the summer months throughout the school. Once again the 'office fairies' in Sharyn Dunn, Naomi Kipling and Rachael McLean have provided our community with the best possible support in kick starting the year with all things from school hand books, transitioning in new families and keeping me organised. To our cleaners my gratitude in the commitment you give to our school each day and especially throughout the school holiday period where you work miracles to ensure the highest standards of cleanliness and hygiene for our students and staff.

Currently, our school population is slightly smaller than the same point in 2018, with the current enrolment being 458 students. We have enrolled 22 new students in P-6 and a further 50 kindergarten students have commenced their schooling careers with the school. I recognise that some classes are near or above recommended levels with the majority of enrolments in particular year level cohorts, namely our Pre-primary and Year 3 groupings. I will ensure that we will monitor numbers in these classes and resource them accordingly to guarantee that we continue to deliver high quality teaching and learning.

I spoke with our staff at our School Development Days about the very important partnership that our parents have with our school, urging teachers and parents to connect over the coming weeks. This partnership is pivotal to the success of each child in our school. I would like to thank you for helping your child commence their year so smoothly over the past week. I urge you to stay connected to your child's teacher and through regular communication and feedback between school and home you will share your child's academic, social and emotional development at our school.

School Priorities for 2019

After a great deal of consultation with staff, School Board and community we selected **English, Mathematics and Technologies** as our priority areas for 2019. Whilst these areas will be our focus in terms of resourcing and discussion points throughout the year – our focus is on providing each child with a holistic education that supports each learning area and importantly their social and emotional learning. You will no doubt discover that with Digital Technologies being a focus area that staff will use this as a springboard to communicate with you as parents through the **Skoolbag App, Classroom See Saw app** and our **Esperance PS Facebook page**.

Staffing changes for 2019

At the end of 2018 we said goodbye to quite a few staff who are seeking new challenges and we wish them well for 2019. We also welcome to the school some new additions to our team.

I would like to welcome **Miss Amy Riordan**, who is joining us in the Digital Technologies position for 2019. Amy is a graduate teacher who embodies the 21st Century learning philosophy and will no doubt provide all students from Pre-primary through to Year 6 with engaging learning in the Technologies learning area. Amy will bring some fresh ideas to this learning area and we have enjoyed seeing her enthusiasm with classes to date. Miss Riordan has placed a profile in this newsletter for you to read.

We also welcome to the school **Mrs Jess Starcevich** who is no stranger to us having taught in BH1 in Term 4 last year. Mrs Starcevich will be working two days this year, with her Physical Education specialist role on a Tuesday and teaching DC1, Year 6 on a Wednesday.

We welcome back to our staff, **Ms Liz Ellett**, who spent 2018 on leave travelling the country and overseas with her family. We are excited to have Ms Ellett return to her much loved Year 3 / 4 student cohort in Twilight Cove 4. Her experience, quality teaching and passion for learning will ensure that all of her students will have a holistic and engaging program this year.

A full list of our staffing for 2019 can be found in this newsletter.

Class Sizes

If you have ventured in to the classrooms around the school, you would have noticed that classes are large and at recommended maximum capacity. Whilst I recognise that starting the year with full classes is not always desirable I feel assured though that we are currently optimal support for the classes through the clever, fair and tactful placement of our Education Assistants and other support staff across our school. This will allow teachers to plan for differentiating their lesson delivery allowing us to best cater for your child's needs. We will continue to monitor the class sizes through future enrolments and departures from our school and at this stage I see no reason to change the existing class structure.

'The Esperance Way'

Our School environment is amazing and having personal, social, civic and environmental responsibilities are goals that we value at Esperance Primary School. As we commence the year it is important to reflect on some important aspects on what makes our school culture strong:

We have one school rule - students respectfully move and play safely in supervised areas and through this they can learn and be safe.

Our **Tribes culture** provides the 'glue and fabric' to our environment – we use a common language built on the foundations of the Tribes agreements – *Attentive Listening, Mutual Respect, Personal Best/Personal Responsibility, Appreciations/No Put downs and Right to Pass / Right to Participate*

We wear our school **uniform** with pride – many students have worn their uniform and hat throughout the past fortnight and the uniform looks sensational! Not only do our students look and feel part of our team, but I also believe we let the Esperance Community know who is part of the sensational Esperance PS and that we are proud of it.

We request that students not arrive at school before 8.30am. At that time, we encourage them to enter their class when the music starts so that they can be prepared for learning.

It is appreciated if parents and carers drop off and collect their children in a way that **ensures the safety of all.** We will soon have a crosswalk attendant who helps us cross Andrew Street safely and it is recommended that both students and adults use this facility. Please help me keep our students healthy and safe. Families and Students are reminded to **use appropriate gates to exit and enter the school.** The office can be a busy, congested place at the beginning and end of a school day.

Student Leadership team for 2019

The school strives for excellence in student leadership and provides opportunities for our Year 6 students across a range of areas. Late last year we elected in our 2019 Student Councillors, including Head Boy and Girl, and last Friday students voted in our 2019 Faction Captains and Vice Captains. Both groups have very distinctive roles in the school and provide vital support for staff and students. In the playground the students will be very distinctive wearing coloured bucket hats. The student councillor team will wear sky blue hats and the faction captains wearing a hat that reflects their own faction's colours. The hats signal to other students a leader who can assist and aid them in times of need.

The student leadership team consists of the following students:

Our eight Student Councillors have already demonstrated leadership and commitment to their roles as they have supported students to catch buses, find their classrooms and feel comfortable in our school. I'm looking forward to hearing more about their qualities as they lead the first assembly next Friday, 22nd February. Our Energisers will be announced soon and I look forward to the contribution that they make to our school's focus in sustainability and looking after our planet.

Student Councillors	Faction Captain	Vice Captain
Zach Warren (Head Boy)	Annie Buckman	Lola Clarke
Manayah Starceвич (Head Girl)	Tom Tate	Archie Roberts
Noah McElroy	Wyatt Rance	Jaxon Walsh
Hudson Gairen	Ruby Lykke	Hilary Cabahug
Emily Sanger	Halle James	Elora Milverton
Lotte Andrew	Mitchell Ferguson	Jaxson Meyer
Eva Palmer	Shahn Waight	Mylie Peterson
Kav Kahatadeniya	Jacob Pope	Duke Polkinghorne

EPS Student Councillors (*in the light blue hats*) Faction Captains (*in their faction colour hats*)

Thank you to Haslams Esperance for generously donating these special coloured hats which help all students identify, not only their faction captains but their student council too.

3 Way Conferences – a change for 2019

Traditionally we have held our Three Way Conferences in week 4 of Term 2 to allow teachers, parents and students an opportunity to discuss each child's learning and progress in the year to date. Last year our staff reflected on the timing and purpose of the conferences and with NAPLAN being in week 3 and staff normally commencing their assessments for formal reporting period, the decision was made to move the conferences forward to Term 1, week 6.

Therefore, on Friday 15th March, we will be suspending the normal school timetable to facilitate the 3 Way conferences. This means that the school will be closed on that day for the purpose of the meetings. Shortly, parents will be provided with the choice of appointment times for their teacher. This will be either be for the Friday or possibly a time after school in that week.

The conferences will take a different purpose this year – they will be used for the purpose of goal setting for the year ahead.

*By week 6 **teachers** have accumulated sufficient data on each child to feel comfortable in providing each child with their key learning goals for 2019. For some of our students the goals will be encapsulated in the form of Individual Education Plan (IEP).*

For parents, the conferences provide an opportunity to discuss your learning goals as well as any social and emotional goals that you may have. Quite often the social and emotional goals for parents comes ahead of the learning goals. Parents can use, as their platform for discussion, the previous semester formal report, which provides a wealth of feedback on their child's progress.

For students, most will find it reasonably easy to set goals as I believe that at Esperance PS this is something we ask of our students regularly – to self-reflect and establish their own personal learning goals each term.

Please be aware that with the focus on goal setting for the conferences, the meeting is not intended to be a means by which staff provide explicit feedback on your child's learning in 2019. This level of feedback can be provided later in the term at a time negotiated between teacher and parent.

For our Pre-primary and Kindergarten students they will participate in a learning journey with the focus being on students sharing with their parents and carers their learning experiences which will include examples from across the curriculum. The learning journeys will be booked in 30 minute blocks and parents will select a time that suits their schedules.

More information on the 3 Way Conferences and how to book your child/ren's conference will be forwarded to parents very soon.

BYOD program for 2019

I would like to thank the parents of our Year 4-6 student cohort for their support of the BYOD 1:1 program. Whether you have made the decision to provide your child with an iPad or not, I'm confident that the program offers our students the ability to use technology in a very purposeful and directed way in the classroom. Last week students received both the *Student Internet Agreement* and the *iPad iPromise* documents which outline the responsibilities for each child when using technology in our school. It would be appreciated if these documents were discussed at home with your child prior to being signed. All classes will focus on the cyber safety messages and reinforce our expectations on being ethical and responsible users of our school's network.

All teaching staff in Year 4-6 will outline their use of the devices in classes at their respective classroom meeting. This will allow you be informed of how devices will be embedded into learning in your child's class and also allow you to ask any questions on the program you may wish to ask.

Class Meetings

An extremely important part of each year for every parent is to attend your child's parent meeting. These meetings contain vital information about the teacher, the learning programs within the class and provide an insight on the ways and methods that you can support your child at school and at home. I urge that you make the time to attend and become, or continue to be, an active and aware parent partner of our school.

You may see some teachers discuss See Saw in their class meetings via a See Saw PowerPoint. This has been developed to ensure there is a consistent and whole school approach to the use of See Saw and the protocols that have been developed serve as a reminder about what the school considers to be effective and responsible use of the app.

Violence in Schools

You may have noticed that included with this newsletter is an insert which addresses a new plan released by our Minister for Education Minister to address violence in schools. The plan seeks to provide greater clarity for teachers and other school staff on their rights and responsibilities. Under the 'Let's take a stand together' action plan, new tactics to address violent behaviour by WA school students and better support staff to manage incidents will roll out over the next three years.

The plan follows consultation with stakeholders from across the community about effective ways to bring about change. It includes 10 actions for schools, families and communities to work together to address this complex societal issue.

Better support for public school staff – including clear advice on preventing, managing and responding to aggression and violence – will be provided to help schools.

New rules will apply in public schools so that any student who starts or films attacks or fights will be suspended automatically. Principals will automatically move to exclude any student who physically attacks school staff. 'Exclusion' means a student is removed from a particular school permanently or for a set period of time. Every exclusion order is approved by the Director General of the Department of Education.

New alternative learning settings to help students manage their behaviour, are being developed. The plan focuses on the behaviour of students who have intentionally been physically aggressive to others. Students with a disability who either cannot manage their behaviour or do not intend to harm others are not the target of this plan.

Traffic Warden position

I am pleased to advise that Mr Cyril Lee has been appointed as our new Traffic Warden for the Andrews Street Crossing. Mr Lee will commence shortly and I'm sure that each parent and child who uses that crossing will welcome him to the new role.

WA Police are still seeking people who would like to fill a relief position as Traffic Warden on the occasion that Mr Lee may be absent from his role. If you would like more information on the position, please contact Mr Stephen Thompson at Esperance Police on 9079 8902.

I trust that your child has settled well into the 2019 school year and relationships have been formed between home and school that will serve to maximise positive outcomes for your child.

Warm Regards, **Gareth Palmer Principal**

Humphreys Dance (Yrs 3-6) and Incursion One (PP-Yr2)

Humphreys Dance lessons are on again Monday 25 February to Friday 1 March for Years 3-6. The total cost of lessons is \$35 per student which is included in the 2019 Contribution and Charges. Monies will need to be paid by Friday 22 February.

G'Day Asia Incursion for PP – Yr2 Thursday 21 February, cost is \$5 and is included in the 2019 Contributions and Charges. Monies need to be paid by Wednesday 20 February.

Thank you to those families who have already paid the 2019 EPS Contributions and Charges. Reminder statements were sent home yesterday with students who still owe contributions and charges. Payment can be paid at the School Office (cash or cheque) or via direct debit:

Account Name: Esperance Primary School, BSB: 306-037 Account Number: 4162150

Parents and Carers if you require a receipt for any payments of Charges and Contributions please request this through the School Office.

Hi, my name is Miss Riordan! I am new to Esperance and am teaching Digital Technology in the ICT lab this year. I am very excited to be teaching in such a beautiful part of the world! I have lived in Margaret River for the last 8 years, but am originally from Port Lincoln - so Esperance feels very familiar! I love all things tech and have some great projects planned this year which I am excited to get started on. When I'm not at school you might find me at the beach, on a run, cheering on the Adelaide Crows or drinking coffee in town and planning my next holiday overseas. Looking forward to an amazing year!

Hi From Admin
Deputy Todd McElroy, School Officer Rachael McLean, Deputy Ross Tamlin, School Officer Naomi Kipling, Principal Gareth Palmer, Manager Corporate Services Sharyn Dunn and School Psychology Service Ann Thomason.

Dear Book Club Buyer,

Exciting news . . . we now have an easier way for placing Book Club Orders

Alternatively, orders can still be placed as before by filling in the form attached to the catalogue and leaving them in the Book Club box in the School Office by the due date. Please remember correct money and in a sealed envelope with student name and room number.

Scholastic Book Club- issue 1 out now Don't forget to look for the Book Club Issue catalogue that came home in your child's schoolbag.

Book Club provides a fun and convenient way of bringing the best in children's literature into your home. It's packed full of exciting books from best-selling authors, popular titles and series that kids love, as well as products and books that make perfect gifts for younger siblings who may not be at school yet.

Ordering from Book Club is easy—simply go online and place your order and then Scholastic's 'book elves' take care of the rest. Or fill out the back form and send it completed with correct money to school before the due date of the 13th of February. Before you know it, your child will have a lovely surprise to take home once their order gets delivered to their classroom.

When ordering from Book Club, you are not only helping your children, but you are also helping your school—20% of your spend goes back to your school in valuable Scholastic Rewards, which are used to buy classroom and Library resources.

To celebrate the start of the New Year, any family ordering from issue 1 will also receive a free All About Me Activity Journal to help us kick-start our 2019 plans.

For more information about Scholastic and Book Club, visit www.scholastic.com.au

Introducing

SCHOLASTIC

Book Clubs LOOP for Parents

AVAILABLE
AS AN APP!

LOOP is Scholastic Book Clubs Linked Online
Ordering & Payment platform for Parents.

If you want to pay by credit card for your online Book Club order, LOOP makes it easy! It eliminates the need for paper order forms plus your online order is submitted to the school safe and sound.

Log-in to www.scholastic.com.au/LOOP or download our iPhone and iPad app from the App Store or get it on Google Play for Android.

- For a quick start, just click on ORDER in the top menu or REGISTER first to save your details for next time
- Select your school and your child's class
- Add your child's first name and last initial (so the school knows who the book is for)
- Enter the item number from the Book Club catalogue
- You can order for multiple children at once if they attend the same school
- All orders are linked directly to the school for submission to Scholastic. Books will still be delivered to your child's classroom if you order by the close date
- There's no need to return paper order forms or payment receipt details to your school!

For a quick how-to-order video, log-in to www.scholastic.com.au/LOOP and click on HELP in the top menu.

SCHOLASTIC BOOKCLUB

The Scholastic Bookclub Coordinators are seeking your **used paper gift/shopping bags**. These are used to send books home to students. Please drop them in to the School Office. All donations, in any size would be greatly appreciated, thank you.

Don't forget that Wednesday is School Banking day and students should bring in their weekly deposit. For every deposit made at school, no matter how big or small, students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

VISUAL ARTS

MRS SPENCER IS REQUESTING 1.1 LITRE SCHWEPPE'S PLASTIC BOTTLES FOR STUDENTS TO COMPLETE ART PROJECTS — PLEASE DROP THESE TO THE SCHOOL OFFICE

2019 SEAHORSE SNACKS CANTEEN NOTICE

Thank you to all who helped in the canteen in 2018. All volunteer's help is greatly appreciated and thank you to all who donated food items to help us make yummy canteen choices. Again I will be relying on donations and volunteers this year. Donations are flexible and can be whatever brand and quantity that suits you. We also can use any excess produce in the canteen if you have a veggie garden. Donated items can be dropped to the canteen or to the front office. If you are not able to consistently donate or volunteer, please consider spending loose change at the canteen for Recess occasionally! Examples of donated items include

- | | | |
|---|--|---|
| <p>Flour
 Canola Oil
 Rolled Oats
 Long Life Milk
 Rice Crackers</p> | <p>Cocoa
 Coconut
 Wraps
 Dried, Pitted Dates
 Milo</p> | <p>Popcorn
 Sugar
 Pasta
 Rice
 Vegemite</p> |
|---|--|---|

Volunteering could be for an hour or a morning, any help is really appreciated. We would love to see Mums, Dads, carers or grandparents. If you are able to help out please complete and return the form below either to the canteen, School Office or class teacher. Rosters are filled each term with a date that suits you and I also send a reminder text. Every time you volunteer you receive a **voucher** for your child to use in the canteen. If you are unsure of what is required in volunteering in the canteen, please feel free to come into the canteen and see what's involved. No skill in the kitchen is required and the children really enjoy seeing their loved ones being included in the school community.

Emily Podmore (Canteen Manager) – Esperance Primary School 0427444255

PLEASE NOTE: That owing to important safety reasons and on advice from the Education Department, no child is permitted in the school canteen while their parents are on canteen duty.
